WEBINAR - Surviving REAL Life Emergencies

Learn online to plan for and survive real life emergencies. You will learn the "1" thing that makes the difference between living and dying. This is a MUST ATTEND Webinar for anyone who wants to start their flight training all the way to the experienced instructor. There is a modest fee for this event to support PilotSafety.org, please refer to <http://www.PilotSafety.org/Webinars.html> Your speaker, Gary Reeves, is one of only a few Master Instructors in California and is the 2014 Flight Instructor and FAAST Member of the Year for the Long Beach FSDO. As an ATP with over 5000 hours he is a true expert and has successfully handled many in-flight emergencies.

Directions: THIS IS AN ONLINE WEBINAR ONLY! YOU MUST VISIT <http://pilotsafety.org/Webinars.html> to register.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
